# The Independent Education Union – for all staff in non-government education

**As a member of the Independent Education Union Victoria Tasmania, you help form a strong voice for all who work in non-government education. IEU membership entitles you to workplace representation and support, legal advice, professional development and training.**

## Advice, support and representation

Our team of organisers, lawyers and workplace experts know our industry better than anyone. Members have access to the best advice, support and representation when they need it on any contract, employment, registration or workplace issue – all at no cost.

## Communication

Be informed and empowered! Our publications *The Point* and *Independent Education* deliver industrial advice and in-depth stories, while our emails keep members up to date on crucial campaigns, social justice and news from our sector. You can also join the conversation on Facebook, twitter and Instagram – find us at @IEUVicTas.

## Professional Development and Training

Through the IEU Learning Hub, members can access free live webinars on a huge range of relevant topics as well as our growing catalogue of on-demand recorded seminars. We also host conferences and events on a range of topics, including regular targeted conferences for CRTs and Early Career Teachers.

## Great Savings

IEU members get exclusive access to great value, not-for-profit health insurance through Teachers Health, as well as big everyday savings on shopping vouchers, movies, petrol, car hire, whitegoods, dining, travel and more.

## What our Members say...

'I had been on a fixed-term contract for a number of years, but felt anxious about challenging the reasons. My IEU organiser came to a meeting with the principal – soon afterwards I was made ongoing!'

**Anne, Teacher**

'I asked the IEU to help me apply for a higher classification. With the assistance I got, I was successful - which means more in my pocket as well as better recognition for my work.'

**Mark, Library Technician**

'I am grateful to our union. Knowing that you are standing by me and willing to fight all the way if needed gave me great strength. Being part of the IEU means you're a part of a movement.'

**Yuriy, Teacher**

'I joined the IEU as a student member and became a full member when I got my first job. They even checked my first contract! You can often feel on your own as a graduate teacher – the IEU is there when I need it.'

**Lisa, Early Career Teacher**

'We were supported the whole way through bargaining by IEU staff, who were with us for every meeting. We would have found it much more difficult without them, and we are looking forward to achieving our first Agreement.'

**Ezra, Independent School Bargaining Rep**

'I have been a union member all my working life and becoming a principal didn't change that. I can access great advice - and I know that if I experience a problem, the IEU has my back.'

**Caroline, Principal**
